

## February Programs at the Winslow Public Library

Saturday the 7 10 AM-Noon: Take Your Child to the Library Day! We're having a birthday party for our American Girl doll. Bring your own stuffed animal, doll or action figure to the library for crafts and treats. Stay for as little or as long as you would like.

Tuesdays 10, 24 10-11 AM: Story Time. Join us for stories, songs and crafts for you and your 0-5 year old!

Tuesday the 10 2:30-4 PM: Reader's Theater for grades 3-6. Join us as we prep for a performance over February Vacation for our story time group! No previous dramatic experience required.

Thursdays 12, 19, 26: Crazy 8s Math Club for grades K-2. Come learn fun math concepts at the library. We'll be playing with toilet paper and catapults in upcoming weeks!

Friday 13, 20, 27: Lego Club for grades K-12. Come build with our Legos!

Tuesday the 17 10-11 AM: Super Story Time! Ms. Jenn and the Nutrition Detectives and our Reader's Theater group will both perform during this action-packed hour.

Tuesday the 17 3-4 PM: Yu-Gi-Oh! Come learn how to play Yu-Gi-Oh! at the library. We'll provide you with cards to use or bring your own. Ages 6-12 welcome.

Wednesday the 18 6-8 PM: Movie Afternoon! Bring the whole family to watch Despicable Me. (Rated PG)

Friday the 20 9 AM- Noon: Totally Tech! A Technology Fair for Kids. At the Alford Center in Waterville, co-sponsored by the Winslow, Waterville, Oakland and Albion Public Libraries. It's a day for kids and families to play with and learn about new technology. FabLab from Biddeford will be showing off 3D printers and providing small electronic projects for kids to try. Free and open to the public!
